NEW TO KLAHANIE? WELCOME TO OUR BEAUTIFUL COMMUNITY!

Klahanie has lots to offer – and so much potential. Our activities & events are organized by residents who are passionate about improving the quality of life in Klahanie. Our community offers fitness classes, social meet & greet Mixers, an active website, facebook & seasonal newsletter.

OUR WEBSITE was created by residents for residents to have access to what's going on in our community and to connect with other residents (*did you know: Klahanie has eight stratas!*). There are also blogs on local artists, community profiles, guest posts, information on Klahanie groups and committees, community forms, event calendar, Port Moody resources, and even profiles of our canine residents!

HAVE IDEAS? Contributions are welcome...it's *YOUR SITE* Klahanie.

What do you want to see? Organize a community group, or volunteer with the KLAHANIE ACTION TEAM – get involved and make our community an even greater place to live! Check out planning an event *HOW TO'S* or post your service or wants on the community forums.
